NEWARK
WEST SIDE HIGH

WEST SIDE HIGH SCHOOL
403 SOUTH ORANGE AVENUE
NEWARK, NJ 07103

973-733-6977

Principal's Message

You should be proud of yourself, but by no means is this the finish line. Yes, these last 13 years of schooling are indeed an accomplishment but ultimately, your High School Diploma is nothing but wall art for your family. This is not the finish line. Your journey has just begun. This is actually the beginning of the Race of Life and every decision you make will shape and determine your destiny.

Over the course of this school year, you were exposed to 4 pathways that can help you earn a living wage. 2 and 4 year Colleges, Trade Schools, The Military, and Job Shadowing opportunities that can lead to careers for students right out of High School. Moreover, money has been allocated to assist with any student experiencing hardships in the aforementioned pathways. You will have to apply for it, a committee will vote on it, but it's there for you because... this is not the finish line.

You will encounter obstacles and you will be tempted to come back home to quit at the first sign of adversity. Don't! You cannot quit! Someone close to you may suggest you take a break and come back home. Don't! This is no time to take the easy road. Quitting is way too easy for a fighter like yourself. "When you take a chance, do you ever wonder who you took it from?" (Loso) That quote resonates with me on so many levels because someone has to replace that person asking for change right up the street on Speedway Ave. I don't want it to be you or any other student but that will be the reality of someone mistaking their blessings. This is not the finish line. The next phase of your life will be one of the hardest things you have ever done but it will also be the most gratifying. So get up, dust yourself off, the easy part is over. Now get ready for the Fight of your life. Better yet, The Fight for The Life You Want!! I will leave you with a quote that my grandma used to tell us. "Love many, trust few; and learn to paddle your own canoe!"

I'd Rather Live Enormous
Than Die Dormant (Jay-Z)

JAEVON LAWRENCE

Throughout my life, high school has been the most impactful time of my life so far. Despite all the trials and tribulations, I was able to make a memorable experience. If I did not attend West Side High School, I would not be a Capital One Intern, a Pathways to College Scholar or a proud Roughrider. During these four years I have developed bonds with friends and faculty that have enable me to be the best I can be. I will always remember and cherish the memories of West Side High School. For that I am eternally grateful.

ANGELA FIELDS

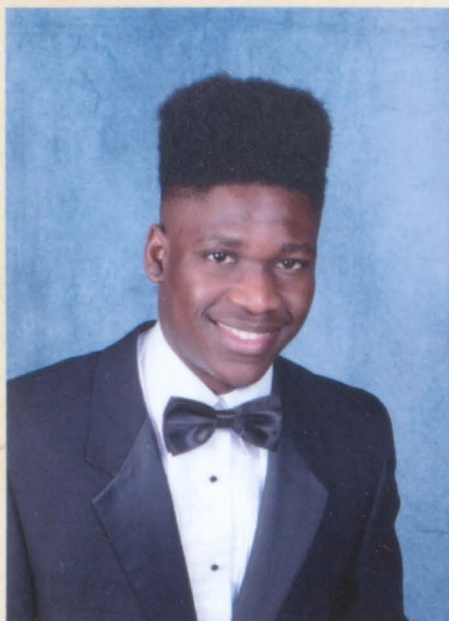

I have been a student at West Side High School since 8th grade.

During that time, I have made great friends, formed connections with teachers and faculty members and have completed the Capital One Banking Program.

For these things I am grateful. I cherish my time here and take the memories from these experiences with me as I form new ones.

ALMA MATER

In morning night and evening fall,
Through all the days of coming years,
In times when glowing futures call
In hearts with laughter and with tears,
Our love for you will never die
Oh Alma Mater, West Side High.
Our love for you will never die
Oh Alma Mater, West Side High.
This love we have for you has grown
More bright than any treasured gold.
It deepens through each friend we've known,
Each truth that to our hearts is told.
Within the shelter of your walls,
Within the rooms where wisdom calls,
Our love for you will never die,
Oh Alma Mater, West Side High.

Though we have need to wander far
Close in our hearts your name will be,
Your goodness, like a radiant star,
Will rise with every memory,
And having these sweet dreams of you
We shall remember and be true
Our love for you will never die
Oh Alma Mater West Side High.
In morning night and evening fall,
Through all the days of coming years,
In times when glowing futures call,
In hearts with laughter and with tears,
Our love for will never die,
Oh Alma Mater West Side High
Our love for you will never die
Oh Alma Mater West Side High.

SOCCER

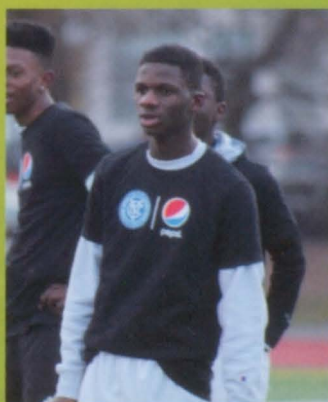

West Side Roughrider's soccer team embarked on what would become our most memorable season. We accomplished our first conference championship win, finishing 8-0 in the conference. This could not be done without the hard work and dedication of our boys. We are excited about our freshmen and new students who possess wonderful talents which we intend to build on. Unfortunately, we will be saying bye to a number of seniors who were integral in this year's success and eventual promotion. Enough can not be said of Damaneik Brevitt and Anthony Aaron, two of our graduating seniors who were instrumental in securing the backline of the Roughrider's defense. We say goodbye to Sammy and James Akinlade, upon whose goal scoring shoulders we rode. Goalkeeper Joshua Egwuonwu had an outstanding season again in goal for us. We salute Ayuba Ishmael, who rides off into the sunset after a magical season of spectacular and timely goals.

Lastly, our accomplishments were recognized by PEPSI who rewarded us with a clinic and a tour of The New York City Football Club training facility. This could not be made possible without the tireless efforts of our Athletic Director, Gary Taylor who continues to support the endeavors of our soccer program. Thanks again to Coach Pinnock and Coach Henry for your ongoing commitment to leading and guiding our student athletes.

CROSS COUNTRY- INDOOR - OUTDOOR

Boys' Indoor Track

With a veteran team returning high expectations were in order. The team had an entire year to lament over a 1-point loss to North Plainfield for the Group 2, North 2 State Championship the previous year. Anything short of a sectional title would have been a failure. the first task was to defined its Essex County Conference Championship and become The Liberty Division back to back winners. the next feat was to redeem themselves from that 1-point loss a year ago. Jakai Coker. Jarrett Gentles, Darius Gooden and newcomer Quincy Hendy did not disappoint coach Meekins by winning The Championship by 18 points.

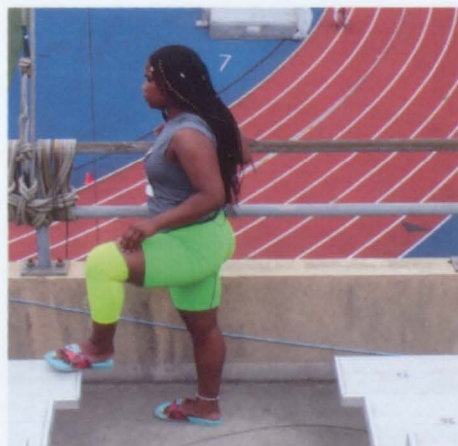

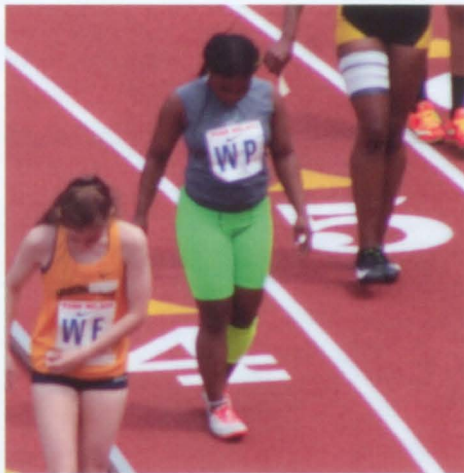

Girls' Cross Country

After back to back seasons of receiving the runner the runner up award the girls finally broke through with a West Side at the city championships with all 5 girls placing in the top 15. Fatima Sannor won the city title with a time of 23:39. her teammates Danaisha Smith-Brown, Karina Barrois, and Kadiatou Sannor all receiving all city award

Boys' Cross Country

After winning the conference championship the year before the boys suffered losing its number 2,3 and 4 runners. With James Bell and Jarrett Gentles deciding to play football the team was forced to rely on new runners. Raul Walkers, Trever Ortiz and Adrian Caesar lead the team with Nasir Handford and Quincy Hendy joining a young team. Coach Meekins is expecting better days ahead with all 5 runners returning.

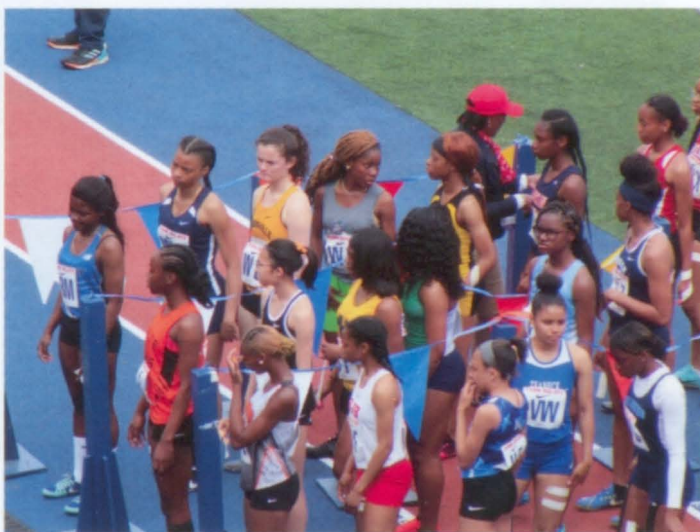

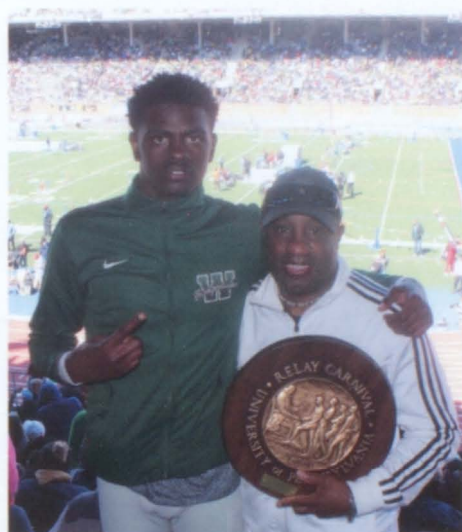

Boys Track And Field

His goal is 7 feet in the high jump & he just came pretty close at sectionals to set a new NJ#1

West Side's James Bell cleared 6-10 on Friday to win a sectional title by 10 inches. (Alexandra Pais | For NJ Advance Media)

Steven Excel Deaver

Steven Excel Deaver is the Advisor for the West Side Human Rights Club which seek to teach students character education and how to become a human rights activist or global citizens.

In their inaugural year, they were selected to receive the Kean University International Human Rights Institute School Community Activist Award and had a chance to present at Rutgers Newark UnConference.

In addition, their 1st Annual United Nations Field Trip in conjunction with the highschoolINGOconnect.org was a huge success.

THE SKY IS NOT THE LIMIT,
IT IS ONLY THE VIEW.

Speaker Coughlin, Mayor Baraka, Senator Ruiz, Assemblywomen Speight, Tucker and Pintor-Marin join Board Members Hill, Murray-Thomas and Anderson, and Superintendent León, Principal Cook, teachers and educators to show support for West Side High School

To the Graduating Class of 2019:

As you enter into this new chapter of your life, know that you were built for this journey. Learn to apply all of the lessons you've learned throughout your years at West Side High School to your daily life as an adult. Life is shaping you into the young woman or man you were destined to be. Life's challenges and obstacles should not define who you are. Instead let your success define you. Success does not come easy; you must work hard for what you desire to be in life. Remember how dedicated you were in high school and that you must be 10x more dedicated in the years after in order to survive. Hold yourself accountable for all of the decisions you make. There is no greater characteristic than integrity. Strive to be young men and women of integrity. Dream Big. Evolve and keep evolving. Never let anyone sway you from your master plan.

Remember that no one has your vision but you. Trust the process. Be patient. Be kind. Be inspiring. Be inspired by people who are committed to giving back to their very own community. Network and build relationships out of this world. I hope that you all reach your full potential and that you live up to being a true Rough Rider. I am very proud of your accomplishments thus far. Continue to make your parents, teachers, and mentors proud.

The sky's the limit.
Opportunities are endless.
There is no limit to your capabilities.
The highest human act is to inspire.
